

glitter candle holders

materials

- glass votive candle holder
- double-sided tape
- glitter – blue & pink
- heart shaped jewel
- craft glue
- large sheet of scrap paper
- scissors

Wrap lengths of double-sided tape around the candle holder to form rings. Leave the backing paper on the tape.

Pull the backing paper off every second row of tape, hold over the scrap paper and sprinkle blue glitter over the tape.

Pull the backing paper off the remaining tape and sprinkle with pink glitter. Finish by gluing a heart jewel to the candle holder.
